События, произошедшие при освобождении территории, были неслучайными, они имели свою историю, свои корни. В последние годы войны, когда фронт приближался к территории, на которой находились объекты, эти объекты были разрушены или повреждены. Причины разрушения объектов были разными: одни объекты были разрушены из-за действий немецкой авиации, другие – из-за действий немецких войск. Кроме того, некоторые объекты были разрушены из-за действий партизан. В настоящее время на территории, которая была освобождена, не осталось никаких следов объектов. Территория была полностью очищена от объектов. В настоящее время на территории, которая была освобождена, не осталось никаких следов объектов. Территория была полностью очищена от объектов.
